**FULL MEMBERSHIP** is restricted to the very best of those practising in the lettering arts and crafts. It is achieved by election through an executive committee made up of specialists in all aspects of the lettering arts and crafts and typographical design. Applicants work has to be of a professional standard in both design and execution. Experimental and explorative work are supported. Twelve months should have elapsed since leaving college or apprenticeship. The committee will discuss the work fully and selection is by general consensus.

**ASSOCIATE MEMBERSHIP** is open to all. Associates may take part in all Letter Exchange activities, but may not exhibit.
